

The Arnold Cogswell Health Fund

Mission

The major purpose of Arnold Cogswell Health Fund grants is to facilitate the development of better health care for the population of the Capital District.

Eligibility

The following types of organizations are examples of those that would qualify for grants:

- Acute care hospitals, long-term care facilities for the aged or ill, disease and treatment centers.
- Medical colleges, nursing schools, pharmacy colleges, allied health programs.
- Community health centers, clinics and programs, home care for the ill, aged and disabled, childcare for health and social counseling programs.
- Regional health planning groups, hospital consortia, disaster agencies, combination of various health organizations.

A grant may be made:

- To either new or established organizations.
- For program costs (such as salaries/expenses) or for capital expenditures (such as building/equipment).

Special attention will be given to:

- The importance of the Arnold Cogswell Health Fund grant to any overall building or equipment program.
- Grant requests for new, innovative or meaningful programs.
- Grant requests for the cooperative efforts of several organizations.
- Grant requests for sharing in multiple source funding (private and/or public).

A grant will **not** be made:

- Unless the organization qualifies under Section 501 (c) (3) of the Internal Revenue Code of 1954.
- For a program that the Community Foundation will have to operate.
- To an individual; however, a grant may be made to an organization which does support the work of an individual.
- Unless a financial audit is submitted which includes a balance sheet and an operating statement.
- For more than a three-year period.
- To finance an operating deficit of a program or organization, or to offset cumulative deficits of prior years.
- For scholarship or fellowships.
- For research.
- For loans (loans will not be made).

Application Submission
